

Empowers students who may be shy when speaking a new language.

It gives every student a voice!

Makes students the star attraction at parents' evenings and school events.

You can access it directly through Microsoft Teams!

Why we ❤️ FLIPGRID

It opens students' minds to many different perspectives.

Set up is really easy!

Video responses are thought provoking and prompt further discussions.

It works for every subject!

Videos can be uploaded from anywhere via PCs or mobile phones!

The Discovery Library gives you access to loads of wonderful FlipGrids created by other teachers.
